- iv. Financial Operational Results
- v. Financial Structure and Asset / Liability Management
- vi. Strategic Objective

1. Collaborate with the Micro-enterprise Access to Banking Services (MABS) and other institutions to come up with innovative solutions to make us more efficient and effective in alleviating poverty in the countryside.

- i. Mobile Phone Banking
- ii. Small Claims Court
- iii. Insurance
 - lessen the impact of shocks
in the family income
 - bundling of insurance with deposit
and loan products decreases
volatility of deposits and would ensure loan
repayment.

THANK YOU
